

G.1.AH.7-8.1 - Calendar

Desired Results--What do we want students to know and do?

Standard: G.1.AH.7-8.1 - Compare and contrast the six geographic regions of Arkansas using geographic representations and available geospatial technologies.

- **Target 1:** I can label the 6 regions on a map using Google Maps.
- **Target 2:** I can describe the 6 regions of Arkansas.

Evidence-How will we know they learned?

Target 1 - Label a map

Target 2 - Short answer questions

Summative Assessment - Label map, short answer questions, reading passage
